

History of Toowoomba Marathon , Half Marathon and 10k Race

Sunday October 17th, 2010, was the 30th running of the Toowoomba Marathon with its associated races. We now run a half marathon, a 10k road race and, of recent years, a three quarter marathon, with the main event. It is run on a 10.55k circuit at the USQ campus. This circuit was chosen because it was as close to flat as you can get in Toowoomba. Actually, it is an undulating course with a gradual incline up West St and ups and downs in Platz St. By the time you do West St for the fourth time, you actually call it a hill. The four races give competitors a wide choice of distance and we also encourage walkers in the 10k. However, the race was not always like this.

It started in 1981 as a Marathon only and remained so until 1986 when the half marathon was added. The 10k started in 2005 and the three quarter marathon, a unique event, started only in 2007 and is slowly gaining popularity for runners who are either not quite ready for the marathon or who want a good middle distance training run.

In 1981, the running boom had started, the club was in its second year and many marathons sprang up across Australia. Ours was one of the last in the season. The inaugural event was won by world veteran runner champion, Alan Bradford, of Toowoomba, who ran a creditable 2:38:27. The early years were hotly contested, with a record of 158 starters in 1983. These days we usually have about 40 in the full marathon. Bob Wright produced two exceptional times, winning 1983 and 1984 in 2:29:22 and 2:26:40 respectively. These times have only been beaten by the current record holder, Ian Kent, who ran 2:26:03 in 1990. The female record is held by Tracey McGowan who ran 2:59:21 in 1985. Lyn Stern, a three times winner in 1987, 1988 and 1989, came very close to beating it with a 2:59:37 in 1987. We continue to offer a \$100 prize to anyone who can beat the record.

The half marathon was also hotly contested in the 1980's. The men's record is held by Glenn Benecke who ran 1:09:10 in 1986. The women's record is held by Liz Hepple (1:22:27 in 1987) for many years but was finally broken by Welsh Cross Country champion, Samantha Bretherick, in 2003, when she ran 1:22:09.

The 10k road race which has only been run since 2005, has a very strong men's record of 32:21, run by Christian Cobbald in 2006. Tressa Lindenberg holds the women's record of 39:25, run in 2007.

Over the years, the weather for this event, being late spring, has been very variable. We've had heat, cold, wind and perfect conditions. This year's race was very cold, 7 degrees centigrade with a strong westerly wind. Despite this we had record numbers with 35 in the Full Marathon, 15 in the ¾ Marathon, 113 in the Half Marathon and 114 in the 10km Road Race (in total 285). Approximately 40% of the participants were female.

Entry costs are low, being \$30 for the marathon, \$20 for the half marathon and \$15 for the 10k road race. Toowoomba Rotary Club helped us with the water stops. All profits from our races go to the Toowoomba Hospital Foundation, which in 2010 was \$6,000.

Our thanks go to X-Cell Roofing for generously sponsoring this year's marathon.

Results

Marathon	1st male	Time	1st female	Time
1981	Alan Bradford	2:38:27	Jan Fredricks	3:26:23
1982	Ron Peters	2:38:57	Margaret Barrett	
1983	Bob Wright	2:29:22	Sandra Best	3:35:00
1984	Bob Wright	2:26:40	Tracey McGowan	3:09:00
